TaskCompleted

Task Completed activities are created when you complete a task on a lead.

List or filter all TaskCompleted activities.

`GET /activity/task_completed/{?lead_id, user_id, date_created__gt, date_created__lt}`

⌄ Example Request/Response

Fetch a single TaskCompleted activity.

`GET /activity/task_completed/{id}/`

⌄ Example Request/Response

Delete a TaskCompleted activity.

`DELETE /activity/task_completed/{id}/`

⌄ Example Request/Response
