OpportunityStatusChange

Opportunity Status Changes are created when you change the status of an Opportunity object.

List or filter all OpportunityStatusChange activities.

`GET /activity/status_change/opportunity/{?lead_id, opportunity_id, user_id, date_created__gt, date_created__lt}`

⌄ Example Request/Response

Fetch a single OpportunityStatusChange activity.

`GET /activity/status_change/opportunity/{id}/`

⌄ Example Request/Response
